

Yarmouth Line, North 45 deg West 8 miles

This Plan is Drawn by a scale of One hundred rods to an inch and is a description of the Town of North Yarmouth as Formerly Laid out by the Proprietors of said Town the Town of Freeport has been Taken from North Yarmouth as may be seen above where there is two Prist lines one on each Side of a Drawn Line which is the Division Line between the two towns until it comes to the Channel in coupons's runs and then the Channel is the line as it winds into the Bay

The Plan from which this tracing was made was the Original one and was made between the years 1681 and 1735 by \_\_\_\_\_  
 Tracing made by  
 Ferdinand B. Merrill  
 Yarmouth  
 Maine  
 March 31 1883  
 Forest Paper Co.

The some lots were small and near each other for the purpose of mutual defence. The lands about the river were made a distinct division - because the title to them was contested  
 The following is a list of the Proprietors with the number of their Home lots

Retraced By: From Merrill's print
